Summary

My name is Nikolai Raahauge, I'm 23 years old and I live in Denmark. I was born in a little province by the name of Lolland and only recently moved to Odense.

I have a bachelor in web development and I'm an AP graduate in multimedia design.

I have a burning passion for frontend and backend development and I'm always trying to develop my knowledge in those fields.

Work experience

WEB DEVELOPER INTERN - ORDBOGEN

August 2022 - November 2022

Work assignments:

Different tasks in frontend development primarily performed in Vue 2 and Vue 3 and vanilla JavaScript

What I improved at:

I got a better understanding of Vue 3 and vanilla JavaScript

INTERN AS MULTIMEDIA DESIGNER - BUSINESS LOLLAND FALSTER

January 2021 - Marts 2022

Work assignments:

Different tasks in the field like social media posts, design of action plan and design for print

What I improved at:

I got a better understanding about writing social media posts and to design media for print.
